

Dear Patron,

Greetings of the Day.

We at PES University, Bangalore, are hosting **5th International Conference on Computing and Network Communications (CoCoNet-2023)** during December 18-20, 2023. CoCoNet'23 addresses key topics and issues related to all aspects of computing, Networks and communications.

The conference is technically Co-sponsored by IEEE Communications and IEEE Signal Processing Society and supported by Springer.

<https://coconet-conference.org/2023/>

Co-located with CoCoNet 2023 is another conference

**International Conference on Applied Soft Computing and Communication Networks (ACN 2018)** supported by Springer.

<http://www.acn-conference.org/2023/>

We are expecting around 15 Keynote Speakers from Universities and Corporates from various countries and atleast 300 participants.

There will be many Symposiums and Workshops in various domains during these 3 days.

**We invite you to be our Partners as Sponsors for this mega event.**

**Various sponsorship categories and the benefits therein are in the attached Brochure.**

For any clarifications, please feel free to contact us.

Organizing Committee
